Play Pack

Edition No. 3

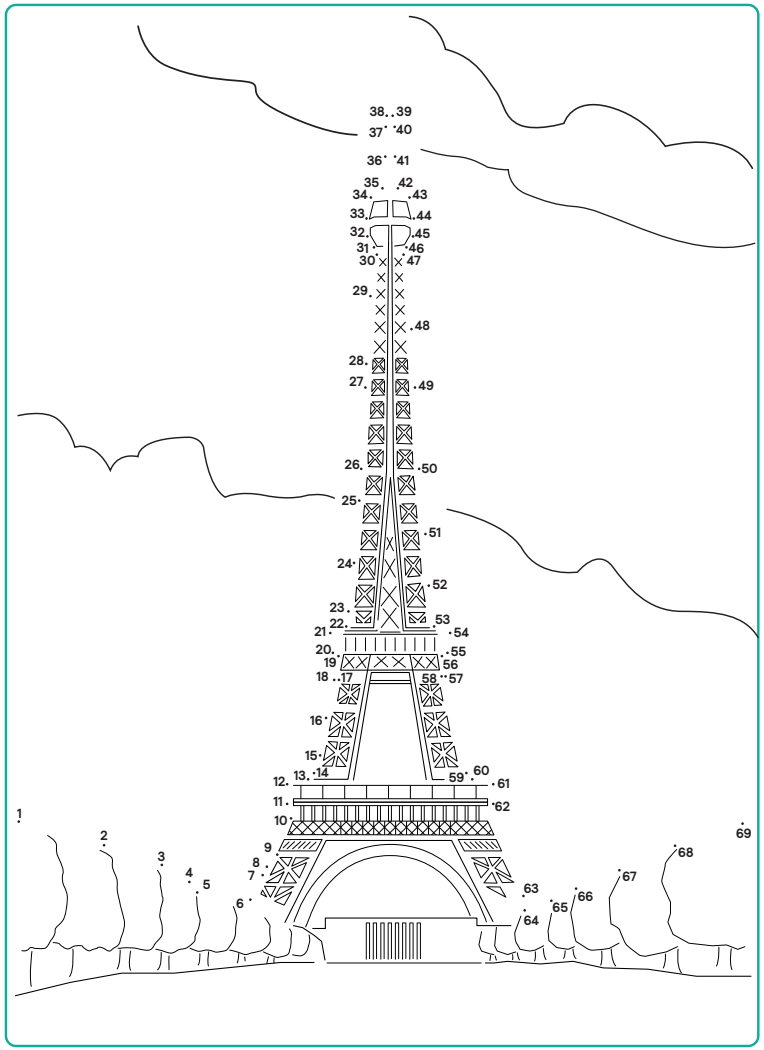

Hey Kids

We might have to stay inside for a while but we can still have fun! Ask your parents to print this out for you and let's get creative.

For ages 5–10

Connect the dots

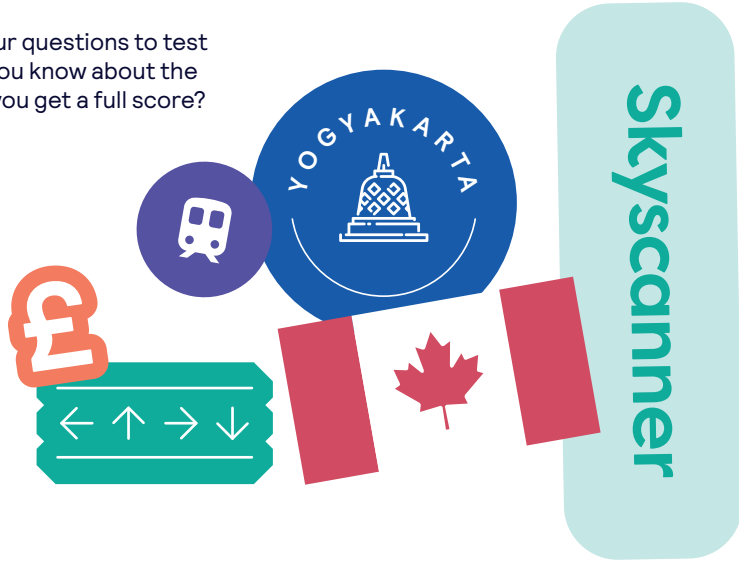

Connect the dots in ascending order, in the shape of Eiffel Tower.

The Eiffel Tower is a wrought-iron lattice tower on the Champ de Mars in Paris, France

Where in the world?

Here are four questions to test how much you know about the world. Can you get a full score?

'Draw a Portrait' Challenge

Hello kids, is there someone you know who lives overseas? Can you draw: 'the portrait of someone you'd travel to visit.'

Is it your grandparents or aunts and uncles? Or maybe it's your best friend living in another country? We'd love to see a drawing of them.

Once you've completed your masterpiece:

1. Take a photo and upload it onto your Facebook or Instagram pages and tag **@Skyscanner**
2. Add a caption to tell us about it. We'll feature some of our favourites on Skyscanner's social media pages.
