'Create a travel experience' Challenge

Hello kids, do you like building things? How about we create something BIG in your lounge today?

Let's 'create a travel experience using things around the house.'

How about making a blanket fort? Maybe stack cushions to build a squishy castle? Or use the sofa to create a boat and take your soft toys on a trip? Show us your creativity!

Once you've completed your masterpiece:

1. Take a photo and upload it onto your Facebook or Instagram pages and tag **@Skyscanner**
2. Add a caption to tell us about it. We'll feature some of our favourites on Skyscanner's social media pages.
